1838 W Leah Lane | Gilbert, AZ | 85233

Computational physics major with a career focus on Software Engineering.

Education

University of Illinois at Urbana-Champaign | Class of 2018

3.55/4.00 GPA

- B.S. Engineering Physics | James Scholar | Minors in Computer Science and Mathematics
- *Computer Science Coursework:* Data Structures, System Programming, Numerical Analysis, Applied Machine Learning, Computer Security I
- *Physics Coursework:* Classical Mechanics I & II, Electromagnetic Fields I & II, Special Relativity, Quantum Mechanics

Work Experience

Appfolio Inc.

May - August 2017

Software Engineering Intern

Goleta, CA

- —placeholder—
- —placeholder—
- —placeholder—

Tyto Agricultural Inc.

May - August 2016

Software Engineering Intern

Champaign, IL

- Native **android** development, implemented backend server and redesigned application UI
- Worked with team of interns to improve and resolve issues of distributed device communication, overloaded backend, and reliability of real-time GPS tracking service
- Pioneered redesign of application backend on Google's Firebase, restructured device information as JSON objects

College of Materials Science at UIUC

May - August 2016

Programming and Research Assistant

Champaign, IL

- Member of PrairieLearn development team, worked on computerized testing server utilized across engineering college of over **7,000** students
- Developed client-side Javascript and HTML currently in use
- Restructured \LaTeX course files into HTML style testing questions with radio and text input fields, reformatted over **150** files and **400** test questions

Leadership Experience

Engineering Teaching Assistant

August - present 2017

Champaign, IL

- Lectured and mentored class of 25 freshmen in the College of Engineering
- Single-handedly taught concepts of career goals, time management, professional behavior and writing

Illini Formula Motorsports Club

Aug 2015 - Aug 2016

Engine Team

Champaign, IL

- Collaborated with engineers of various disciplines to design operational formula racing car
- Finished **3rd** place at *FSAE Lincoln 2015 national* competition

Achievements, Skills, & Interests

- **Proficient Languages:** Java, Ruby, Python, Javascript (ECMAScript 6)
- Other Languages: C++, C, BASH, R
- **Proficient Development Platforms:** React Native, Ruby on Rails, Android Studio
- 2300 SAT score, **1st** place finisher at 2012 Maryland State Impressionist Piano competition
- Interests & Hobbies: Golf, swimming, tennis, classical music, health & nutrition
